# REDUCE YOUR CARBON FOOTPRINT WITH BRANDHK

Only BrandHK offers all customers the ability to reduce their carbon footprint on corporate gifts and the facility to offset any CARBON EMISSIONS . And we make it easy to tell your customers about it too!

## 1. REDUCE YOUR FOOTPRINT

We quote the carbon footprint of every product. You can choose the products that achieve your business goals with the least impact on the planet.

## 2. OFFSET EMISSIONS

Where you can't reduce your emissions, you can purchase carbon credits. These fund carbon-reducing projects around the world.

## 3. TELL YOUR CUSTOMERS

Share your offset certificate with customers using a unique link or QR code that you can print on the product.

WE PURCHASE CARBON CREDITS FROM OUR PARTNER, **GOLD STANDARD** . Their projects help communities around the world to decarbonise. PLUS every Gold Standard project contributes to at least 3 UN Sustainable Development Goals, so the positive impact of your funding is much greater.
